## Coronavirus Information

Greetings Soberstockers -

Given the current situation regarding the Coronavirus, the committee has voted on postponing the event. We do not have a date at this time as we think it prudent to wait until we can be sure on a date that is responsible to do so. Once we have that information, we will communicate it out via email, website and Facebook. We appreciate your patience as we work through this. Soberstock is a non-for-profit AA group with all proceeds, after costs, going to Jails and Institutions. We have incurred expenses in preparation for the event (t-shirts, flyers, food, equipment rental) and are trying to defer and recoup certain costs until we reschedule. We respectfully ask you allow for us to work out a date to reschedule. If you have pre-registered for the event, your registration will be credited for whenever we reschedule. We wish you all good health during these troubling times and thank you for understanding.

In service,  
2020 Soberstock committee

Updated: March 14th, 2020

Those members going to Soberstock next weekend, it has been POSTPONED. Any information for rescheduling will be forwarded as soon as it is received.
