*******NIGHT WATCH VOLUNTEERS*******

Volunteers, please refer phone calls to the www.heartlandintergroup.org the top of the page has a link to the latest Intergrouper news on meeting openings etc.

As all of you know, this pandemic has put a real crimp in AA's ability to be there for the next person reaching out for help. Few meetings are being held and handshakes and hugs are off the table. The hours of our office have been reduced and the door locked. We asked our volunteer staff to stay home. We want to make sure people stay safe and social distancing is one of the best ways to do that.

One thing requiring no social distancing is a phone call. Our hotline is still open whenever the office is not staffed. That means more hours are being covered by the wonderful volunteers that man our "Nightwatch" program. This program has been a huge benefit to those looking for help simply because they can get through to a member of AA immediately and talk to someone that has been in their shoes. There is no longer a wait to get a return call which could often take a day or more.

We are always looking for people willing to join this team. If you are looking for a new way to give back, this could be the solution.
