To All -

We are looking for **individual** men and women to volunteer to speak on certain days and times of the week thus, providing the clients a diverse but, yet committed list of people to continue to carry the message of hope.

The facility is seeking speakers for the evenings and times would vary between Mary Lyons and the other facilities.

Please inform either Cathy at Heartland Intergroup or Chris V., if you wish to be placed on a list that will be provided to the coordinators, who in turn would supply to supervisors.

The Supervisors will be the people responsible for contacting each volunteer to finalize any coordinating necessary to follow through with each volunteer speaker.

From Mary Lyons Counselor Justin C:

Good morning Mario

Thanks for checking back with me, I hope all is well with you. The days and times of the speaker meetings are scheduled by the individual unit supervisors. The best way to proceed is to ask the willing members to communicate their availability and make note on the list beside their name. We need both women and men and evening time is preferred. It is best to put the members in contact with the supervisors to prevent double booking, I'll distribute the contact list to the supervisors.

The guidelines remain the same:

One member at a time
Cannot have tested positive for Covid in the past 2 weeks
Temperature check at the door
Hand washing once inside
Mask required
Social Distance, no contact
No passing of physical material

Let me know if you have any further questions

Kind Regards

Justin C.
