**Friday Night:** In lieu of our usual Meet and Greet, we will have an orientation meeting for our Area 15 Virtual Quarterly. We will discuss participation procedures in all meetings, including the Area business meeting and the Area voting assembly on Sunday. We are planning a full agenda, which is laid out in the program, except for the banquet. Our Virtual Sub-Committee will have a Help Desk to assist with any technical issues that arise over the weekend. Please call or text our HELP LINE @ (813) 597-1655.

**Saturday:** All the meetings are listed in the Virtual Program, which is available on the Area website (area15aa.org). All meetings will have the additional safety feature of a waiting room; the host will let you in to the meeting once the meeting room has opened. Meeting rooms will open 15 minutes prior to meeting start except for the Area business meeting, which will which opens at 8am to allow a one-hour registration period; please enter early to allow time for the entry process.

**Sunday:** As you enter the main meeting, you will be ushered into a District break-out room so that your District can take roll call and determine the vote count. We will be utilizing a similar renaming process as our last quarterly and would appreciate your renaming yourself in advance whenever possible. If you rename yourself in your zoom account, your name will be established for each meeting all weekend, as opposed to , renaming yourself in the meeting directly, you will need to repeat that process for each meeting. The business meeting will start at 9am, and our Virtual Sub-Committee Tech team will remain available for late comers for handling the renaming process and vote amendments. Once the Business meeting is complete, we will take a short break and then open the voting assembly. The process for the voting assembly will be explained before the business meeting is closed.

Do not leave during the meeting!! To protect the vote integrity, and to assure that you maintain your vote, please do not leave the meeting. If you need to step away, please turn off your video during your absence, similar to leaving the room when you attend in person. This will protect your vote. Should you get disconnected, please dial back in and you will be re-admitted under the same user account. Please utilize the chat function with any questions or concerns during the meeting or call the Help Desk.

Please refer to the Renaming document on the Area website for the re-naming format.

Please feel free to reach out with questions and concerns as your participation in our quarterly assembly is vital. Thank you.

**To All -**

We are looking for **individual** men and women to volunteer to speak on certain days and times of the week thus, providing the clients a diverse but, yet committed list of people to continue to carry the message of hope.

The facility is seeking speakers for the evenings and times would vary between Mary Lyons and the other facilities.

**Please inform either Cathy at Heartland Intergroup or Chris V., if you wish to be placed on a list that will be provided to the coordinators, who in turn would supply to supervisors.**

The Supervisors will be the people responsible for contacting each volunteer to finalize any coordinating necessary to follow through with each volunteer speaker.

**From Mary Lyons Counselor Justin C:**

Good morning Mario

Thanks for checking back with me, I hope all is well with you. The days and times of the speaker meetings are scheduled by the individual unit supervisors. The best way to proceed is to ask the willing members to communicate their availability and make note on the list beside their name. We need both women and men and evening time is preferred. It is best to put the members in contact with the supervisors to prevent double booking, I'll distribute the contact list to the supervisors.

**The guidelines remain the same:**

One member at a time

Cannot have tested positive for Covid in the past 2 weeks

Temperature check at the door

Hand washing once inside

Mask required

Social Distance, no contact

No passing of physical material

Let me know if you have any further questions

Kind Regards

Justin C.
